Web Portfolio - branden.vercel.app 

Experienced front-end web developer with a fiery passion for transforming static wireframes into interactive, beautifully spaced websites. Throughout my journey, I have crafted outstanding websites that have wowed clients and peers, boasting professionally structured and understandable code. I am currently learning React/Next.js and API integrations.

Experience

LeasePLUS Group - SafeCode

Front-end Web Developer

Sept. 2022 – Present

Melbourne CBD, VIC / Hybrid

SafeCode, a LeasePLUS subsidiary, creates novated leasing and salary packaging interfaces for individuals and businesses. With 100,000+ users, they cater to diverse clients and governments across Australia.

- Maintain proprietary leasing/salary packaging software with clean & structured front-end code. (HTML, CSS, JavaScript, jQuery)
- Maintain and manage LeasePLUS's websites (salarypackagingplus.com.au, Leaseplus.com.au)

LeasePLUS Group - SalaryPackagingPLUS

Accounts Officer - salary deductions receivable & payable

Apr. 2022 – Sept. 2022

Melbourne CBD, VIC

Arcadian Digital

Junior Front-end Web Developer

Sept. 2019 – Feb. 2020

Melbourne CBD, VIC

As a bespoke digital and marketing agency, Arcadian delivers tailored solutions to organisations of all sizes.

- Collaborative work with project managers/senior developers, producing smart and intuitive solutions
- Build and structure WordPress reusable child themes
- Build and maintain company's own WordPress plugins and themes

Bebble Media

Junior Front-end Web Developer

May. 2018 – Jun. 2019

North Laverton, VIC

A small digital agency in West Melbourne with in-house designers and developers. Specialising in WordPress, they assist small business owners in expanding their e-commerce and online presence.

- Collaborate with web/graphic designers to reach mockup standards
- Integrations of plugins + customisation of plugins to suit client's specifics
- Manipulation of software styles (i.e plugins, themes) exact to design mockups
