☎ 04 32 375 587

Experienced front-end web developer with a fiery passion for transforming static wireframes into interactive, beautiful spaced websites. Throughout my journey, I've had the privilege to collaborate with a diverse range of clients and businesses. I am currently learning React.js and API integrations.

Work Experience

LeasePLUS Group - SafeCode   Sept. 2022 — Present
Front-end Web Developer   Melbourne CBD, VIC

SafeCode, a LeasePLUS subsidiary, creates novated leasing and salary packaging interfaces for individuals and businesses. With 100,000+ users, they cater to diverse clients across Australia.

- Worked on proprietary leasing/salary packaging software for LeasePlus Group
- Management of all LeasePlus group's websites/portals (over 5+)

LeasePLUS Group - SalaryPackagingPLUS   Apr. 2022 — Sept. 2022
Accounts Officer *- salary deductions receivable & payable*   Melbourne CBD, VIC

Arcadian Digital 🔗   Sept. 2019 — Feb. 2020
Junior Front-end Web Developer   Melbourne CBD, VIC

As a bespoke digital and marketing agency, Arcadian deliver tailored solutions to organisations of all sizes. I worked with extremely talented engineers during my time there.

- Collaborative work with project managers and lead/senior developers
- Build and structure WordPress child themes
- Build and maintan the company's own WordPress plugins and themes

Bebble Media 🔗   May. 2018 — Jun. 2019
Junior Front-end Web Developer   North Laverton, VIC

A small digital agency in West Melbourne with in-house designers and developers. Specialising in WordPress, they assist small business owners in expanding their e-commerce and online presence.

- Collaborate with web/graphic designers to reach mockup standards
- Integrations of plugins + customisation of plugins to suit client's specifics
- Manipulation of software styles (i.e plugins, themes) exact to design mockups
